PUBLISHED PRICING

What repairs cost before you call.

The diagnostic visit is $89 and is credited toward the repair. Ranges below cover parts and labor for the listed appliance; we confirm the exact price before any work starts.

Diagnostic visit — credited toward the repair	$89		
Refrigerator repair	$149–420	Dishwasher repair	$119–290
Washer repair	$129–320	Microwave repair	$99–220
Dryer repair	$129–300	Ice maker repair	$159–360
Oven repair	$139–380	Freezer repair	$149–390
Stove & cooktop repair	$139–340	Commercial kitchen	From $189

If the appliance is beyond economical repair, we say so before you spend more on it.
Commercial work is quoted after a site visit; the diagnostic still applies.

REAL WORK, DOCUMENTED

★★★★★

“Told me the diagnostic price on the phone, showed up in two hours and had the part on the van. The invoice matched the range they quoted.”

Maria K. · Chula Vista

★★★★★

“He showed me the burnt element before replacing it and explained the final price. No upsell, no surprise line items.”

Devon R. · North Park

★★★★★

“We manage six rental units. One call, one invoice per property, and the office dishwasher was back the same afternoon.”

Priya S. · Property manager, Mission Valley

Appliance repair for your business

Cafes, offices, salons, short-term rentals and property managers. Priority scheduling, one invoice per property, and commercial kitchen equipment covered by the same licensed technicians.
